

PRICING : Covertones

1. What you (can) get:

Covertones are cover versions of popular songs, either current chart hits or all time best sellers like movie themes. Like Poly / Mono Ringtones this type of content is commonly NOT free of 3rd party rights – please check the license.pdf file for details!

You will get a MP3 master file with approx. 30-40sec length and a couple of handset files differing in format and length. In addition there are prehear files with english and german teaser overlay.

2. That's the price:

Package	Items	Remark	Price	Price/Item
Start Pack	97	Instrumental Movie themes only (with a few exceptions)	€ 48,-	€ 0,50
Premium Pack	824	Top Charts & All Time Sellers	€ 824,-	€ 1,-
Overall Package	921		€ 850,-	€ 0,92

3. Special conditions

Above prices are for the license as defined in the "LICENSE.PDF" sheet which also can be found in this presentation package. If you

- don't need such an extended license and only want to have limited conditions
- only are active in low price regions
- have any other reason why you think a lower price would be justified

you can apply for special conditions, using the "SPECIALCONDITIONS.DOC" form also available in this package!

4. Payment / Shipment

Content will be delivered AFTER the payment has arrived on our account. Smaller packages (below approx. 1 GB) are delivered by Download (via FTP or HTTP), bigger packages are shipped on DVD. Standard delivery should last between 5-8 days.

- Shipment of smaller packages will be charged with € 50,-
- Express delivery will be charged with extra € 50,-
